Grace

I really appreciate that I have been in TNC big family for more than 10 years. Many thanks to everyone who is with the family and support this big family. Everyone is trying to bring nice things to TNC. You make TNC a great place to work.

Thanks to HR team (Alicia, Eric, Evonne, Jerry), make things running so well every day, from a bottle of water to a delicious meal. From a Food-day to the Team trip.

Thanks to DM (Baohua, Ben, Blaise, Joanna) take a lot of responsibility to work with different perspective. Thanks to everyone. A single line of code you wrote formed our products.

You guys just are amazing. I am so grateful to work with you.

I do want to say BIG THANK YOU to everyone either we worked closely together, or learned a lot from you, or got a lot help from you, or benefit a lot from your work, or we had good times together, or we just said a few hello, or sit not far during lunch, or it was just several remote smiles, or just couple of emails, or just saw your name on slack or somewhere but knowing that everyone has been working hard for a same goal and each of you is so nice to work with. Thank you!
